PROJECT:

PROJECT: FACULTY

**BENRETHMEIER** is a professional Des Moines dancer. Ben received his early ballet training with The Pointe Academy in Des Moines before moving on to the Milwaukee Ballet School. He returned to Des Moines and now heads up the jazz and tap programs at two Des Moines studios. Ben is also a fine modern and ballet teacher. Mr. Ben has taught in the Des Moines metro area for over twelve years. An exceptionally gifted dancer Ben has performed lead roles in Iowa Dance Theatre's "The Nutcracker" and "Dracula" and has performed many times with the Des Moines Metro Opera, Valerie Williams' Dance Co-Motion, and the Pointe Academy Dance Ensemble. Ben is a cherished member of the greater Des Moines dance community and we are proud and happy to have Ben on our faculty.

**TARALEETE**, a Des Moines native, has been training and dancing since the age of two. Growing up as a competition kid, she was named America's Talent in Kids of America Pageant at age four. After graduating from high school, Tara continued her dance training by studying each summer at Edge Performing Arts and Tremaine in Los Angeles. In 1995 she toured Europe and performed in Paris, London and EuroDisney. Deciding to keep her roots in Des Moines, Tara performed as a Fliteline Dancer for the Iowa Barnstormers in 2001. She now teaches weekly classes to all levels at Dance Vision in Johnston, Iowa. Tara has extensive training in multiple genres of dance and is a nationally certified instructor through Dance Masters of America. She enjoys offering her students the latest techniques and styles in the dance industry. Her enthusiasm about dance is infectious.
